Subject: CZARA and Ag - Active State Submittals

Roberta,

Of all the active state submittals that I recall off the top of my head: Oregon, Louisiana, Georgia, Indiana & Illinois...
...there are no current ag MM submittals for Louisiana, Georgia and Illinois. You know where we stand with OR & IN.

Let me know if you have any questions. I'm pretty sure that I'm not leaving out any "active" states.

Non-Responsive

I hope this helps.
